First steps before implementing any IDiverSE activity

1. **Register in the OSOS portal**

   http://portal.opendiscoveryspace.eu/en/osos

   - In the top right corner click on “New in OSOS? **Join Now**”

   - Fill in the mandatory fields (on “member type” select “teacher”

   - Select your school or add it in case it isn’t there yet

   - Submit

   - You will receive an e-mail that will say that your account will be pending approval. After approval, you will receive indications to create a login and set a password.

2. **Join the “Islands Diversity for Science Education” community”** http://portal.opendiscoveryspace.eu/en/community/islands-diversity-science-education-849208

   - Click “Join” on the right side of the screen
   - Write “IDiverSE” in the description box and submit
   - Wait until a member of the community approves your request.

After going through these steps you will be able to copy any IDiverSE activity and implement it with your students 😊 Good luck!
